

Placement Tests

Our Placement Tests are designed to evaluate your trainee's knowledge of the subject matter in a complete TPC/Schoolcraft course before they begin the program. By doing so, some trainees may be able to "test out" of certain parts of your program, saving both time and money. Other trainees will learn that they know less than they thought about certain subjects, providing an incentive to study what they otherwise might think is beneath them.

Placement Test packages can be purchased in sets of 20, 50, and 100 for your trainees. The list on the back of this sheet shows all the courses with available Placement Tests.

For more information, or to place an order, call your Schoolcraft Account Representative at 800.837.1255

Test Package for 20 Trainees: PT-20

- 5 Test Booklets
- 20 Answer Sheets
- 1 Answer Key
- 3 Prescription/Order Forms
- 1 Administrator's Guide

Test Package for 50 Trainees: PT-50

- 10 Test Booklets
- 50 Answer Sheets
- 1 Answer Key
- 5 Prescription/Order Forms
- 1 Administrator's Guide

Test Package for 100 Trainees: PT-100

- 20 Test Booklets
- 100 Answer Sheets
- 1 Answer Key
- 10 Prescription/Order Forms
- 1 Administrator's Guide

Optional scoring and analysis service is available on request. Call for details.

Placement Test Packages

Code No.	Units	Number of Questions	Series Title
100	101-110	204	Fundamentals
110	111-114	44	Power Plant Operations
420	417-419	44	Welding
430	431-443	148	Air Conditioning & Refrigeration
460	461-464	40	Ammonia Refrigeration
200	201-210	182	Electrical Systems
250	251-254, 291	52	Electronics
260	261-262 266-268	50	Microprocessors - User
270	271-280	112	Process Control Instrumentation
280	281-284	40	Process Control Systems
300	301-310	196	Mechanical Systems
310	311-313	60	Packaging Machinery
318	318-319	24	Rigging & Installation
320	315-317	92	Machine Shop
340	323-328	70	Mechanical Maintenance Applications
360	341-347	96	Buildings and Grounds
370	361-367 374,375	50	Energy Conservation
380	376-380	30	Water/Wastewater Treatment
450	451-455	52	Custodial Maintenance
900	901-910	100	Maintenance Management
			Special Combination:
	291		Digital Logic Systems (10 Questions)
	298		Programmable Logic Controllers (14 Questions)
555	331	64	Bulk Conveyors (10 Questions)
	391		Force and Motion (16 Questions)
	501		Introduction to Robotics (14 Questions)
			Multi-Craft Basic:
	101-104		Fundamentals (Basic Skills)
150	107-109.1	204	Fundamentals (Basic Skills)(144 Questions Combined)
	201		Electrical System Maintenance (20 Questions)
	301-302		Mechanical Systems Maintenance (40 Questions)
